JESSIE ROM A. TURIN

I am a fresh graduate seeking for my first job and secure a challenging role in a reputable company to expand my learnings, skills, and knowledge with an opportunity for my career growth.

EDUCATION

- **University of Caloocan City**
Bachelor of Science in Information Technology
2018 - 2022
Award(s): *Cum Laude*
- **Bestlink College of the Philippines (SHS)**
Information and Communications Technology
2016 - 2018
Award(s): *With High Honors*

INTERNSHIP

- University of Caloocan City - MIS Department** **2021-2022**
 - We are MIS staff. Our job roles are to enroll students, fix some errors in their data, maintain the computer units in the department and provide help in the school office in terms of hardware or software.
- Bestlink College of the Philippines Marketing** **2018**
 - We develop an enrollment system for senior high school students in Bestlink College of the Philippines. I am one of the developer and this system was develop using VB.Net and SQL. This gives me the opportunity to learn more about Visual Basic, and SQL. And to test what level I had in developing a system.
